I think it's time for me to take my official leave

For a while now, I've been coming and I've been going. But, I've found that the only reason I've been coming back is because of Fallon's *The Elemental World* forumfic. I guess I may pop in every now and then. But for now, it's been a fun year. I hit over 1700 stars, which is impressive since I mostly posted garbage but whatever. Anyways, I may come back eventually, I may not. But I've found joy elsewhere and this no longer what I have been focused on. I'll say a few personal goodbyes before I go tho.

@Riri, man I'm going to miss you. You were a little ball of wonder from the moment you joined. Keep being creative, keep on dying, and keep up the angst. It was a pleasure to rp with you.

@Imagine, you may see this you may not. Idk. However, thank you for the wonderful times and the wonderful role plays.

@Nyx, I had an amazing time just hanging out with you. You're amazing and never forget that.

@Fairydragon, I will always remember you. You were just an amazing person and know how to make people feel welcomed.

@Fallon, wow. You have amazing ideas in you and always have a way of expressing them. In my absence make sure to update The Elemental World (when you can tho lol).

An some forumers who have yet that I'd like to mention- Sunstalker, TS, King, and Icicle.

If I did not mention you I am sorry. I'm typing this on mobile and it's hard. Plus, there are so many people who I want to thank and simply don't have the time (or finger energy) to do so.

Farewell, I may be back soon. I may not. But hopefully I've left my mark. Hopefully, I will be remembered at least for a little bit.

I'll miss you, Nova. Sorry I couldn't have updated the forumfic earlier. But I'll definitely be sure to update it as soon as possible! I hope you have a good life.

I'll miss you, Nova. You were one of the first people in the first FWRP I'd ever had a ship in, and even though it didn't get far, that still made memories. I hope you have an amazing life because you deserve it.

Comence total clappse of the community/family... One person leaves, then another because of the last one, then it cycles over and over, until none are left in its wake... I've seen it happen before... I know what it's like...
